

REFRIGERATORS

SMEG REFRIGERATORS ARE THE STATE OF THE ART SOLUTION TO FOOD STORAGE PROBLEMS. THEIR INTERIORS ARE DESIGNED TO ALLOW FULL USE OF THE SPACE AVAILABLE, SO THE DOOR AND INTERNAL SHELVES CAN BE ADJUSTED TO DIFFERENT HEIGHTS, AND ARE EASILY REMOVED FOR CLEANING.

50's Retro Style

Smeg offer many choices of refrigeration, the most iconic being the FAB range with the soft round curves reminiscent of 50's styling, available in various colour options, from a subtle cream to a vibrant lime green. The FAB28 refrigerator with icebox is also offered in two special limited edition designs - Colour Stripe and Union Jack. A recent addition to the range is the FAB10 free standing refrigerator, available in 5 contemporary colours, including special edition Union Jack design.

Co-ordinating products are available in both the washing machine and dishwasher ranges.

Washing machines are now available in black and pastel blue in addition to cream and pink, both freestanding and built-in dishwashers are available in selected colours.

New to the catalogue this year are the new CVB20 freestanding freezers, available in 4 colours which coordinate with the rest of the FAB range.

Energy Efficiency

The energy saving trust has been setup to monitor companies and register models that fully comply with the strict parameters set out by the Energy

Efficiency Endorsement Scheme. Only A + and A++ rated fridge-freezers can be registered with the scheme, and display the logo. The energy saving recommended logo guarantees a product will save energy, cost less to run and help the environment -without necessarily costing any more than a comparable, but inefficient one. For further information go to www.est.org.uk/myhome/efficientproducts/.

Frost-Free

The Frost-Free refrigeration system ensures dry conditions by forced air circulation throughout the interior, preventing ice forming on the sides of the appliance, and quickly restoring the interior temperature to the right level after the door has been opened. As well as being energy efficient, frost-free products do not require defrosting, so they offer a substantial time saving in an increasingly busy lifestyle.

Energy Efficiency Class

All fridges and freezers receive an energy rating, ranging from 'G', the least efficient, up to 'A++' for the most efficient. The 50's style FAB40P1 is a large capacity 70cm frost-free fridge/freezer, which achieves an 'A+' rating.

Norm EN 153 May 1990 Refrigerator Label Directive 94/2/EC	

Climatic Class

The climatic class indicates the range of ambient temperatures for which the appliance is suitable. It is important to select a refrigerator specified for the environment in which it is to be situated.

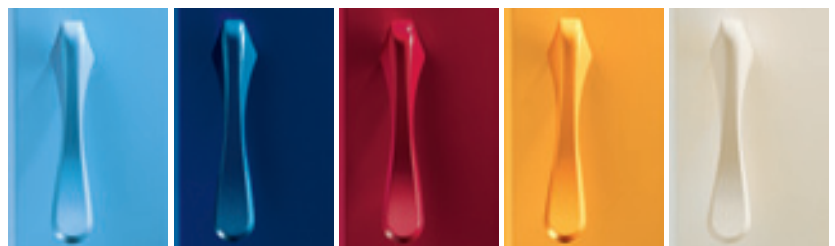

SN min 10°C max 32°C

N min 16°C max 32°C

ST min 18°C max 38°C

T min 18°C max 43°C

NB: For mixed climatic class, take the minimum value from the first class, and the maximum from the second class, eg: SN-ST, the minimum temperature would be 10°C and the maximum temperature 38°C.

Piano Design

Another superb range of refrigeration is offered in our Piano Design section. Available in 5 inspired colours, see pages 8 & 9 for further information.

FAB32AZ7

FAB40X1

50'S STYLE REFRIGERATOR-FREEZER
ENERGY EFFICIENCY CLASS A+

FAB40P1

50'S STYLE REFRIGERATOR-FREEZER
ENERGY EFFICIENCY CLASS A+

Gross capacity: 400 litres
Energy efficiency class: A+
Energy consumption: 314kW/h per year
Frost Free
Climatic class: ST
Freezing capacity: 8Kg/24h
Thaw time: 18h

REFRIGERATOR:

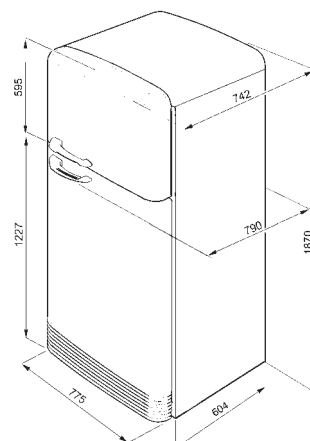

Fresh food capacity: 310 litres
Automatic defrost
3 adjustable glass shelves
2 fruit and vegetable containers
1 chiller compartment

FREEZER: ****

Frozen food capacity: 76 litres
1 glass shelf
1 pull out compartment for ice cubes
1 ice cube tray
Completely frost free

AVAILABLE IN THE FOLLOWING VERSIONS:

Silver, right hand hinges **FAB40X1**
Silver, left hand hinges **FAB40XS1**
Cream, right hand hinges **FAB40P1**
Cream, left hand hinges **FAB40PS1**

When positioning these appliances adjacent to a wall or kitchen unit a gap of 200mm must be left to allow the door to open.

FAB40P1

FAB32R7

50'S STYLE REFRIGERATOR-FREEZER
ENERGY EFFICIENCY CLASS A+

Gross capacity: 330 litres
2 tropicalized compressors
2 adjustable thermostats
Energy efficiency class: A+
Energy consumption: 292 kW/h per year
Climatic class: SN-T
Freezing capacity: 15kg/24h
Thaw time: 20h

REFRIGERATOR

Fresh food capacity: 205 litres
Automatic defrost
3 adjustable glass shelves
2 fruit and vegetable containers
1 covered storage box
1 chrome wine rack

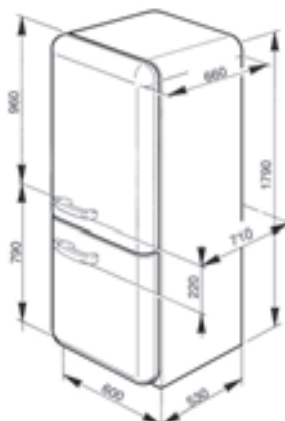

FREEZER ❄️❄️❄️

Frozen food capacity: 103 litres
2 drawers
1 compartment including shelf for ice cubes/pizza

AVAILABLE IN THE FOLLOWING VERSIONS:

Red	FAB32R7
Cream	FAB32P7
Pastel green	FAB32V7
Pastel blue	FAB32AZ7
Blue	FAB32BL7
